Dear Annie,
Thank you for your e-mail, which I forwarded to our Patent Counsel, Leslie Mooi of Heller Ehrman. I believe that she has already spoken to you by phone.
I will look into obtaining signatures on the inventors' declarations, but as many of the inventors are no longer at Arriva, it will take some time, assuming I can track them down. I would suggest you seek an extension of the deadline for filing these.

Best regards,
Phil Barr

Dear Mr. Barr,

I am seeking your assistance to obtain signatures from inventors in the above-reference US patent application.

We must file the *Declaration and Power of Attorney* together with an *Assignment* (from inventors to Arriva-ProMetric Inc.) with the USPTO as soon as possible. Therefore, would you please print a copy of the attached documents and have them signed and dated by all the inventors listed thereon.

Please note that the assignment must be witnessed.

I would appreciate if you could send me a pdf copy or facsimile of the executed documents and have the originals follow by courier. Please return the documents to my attention, before March 25, 2006, to enable me to respect the formalities deadline.

Do not hesitate to contact me if you have any questions.

MEMORANDUM TO FILE

From: Annie Brais
Date: March 22, 2006
Our file: PA-0019-AP
Project: rAAT Derm Formulation

Telephone conversation of this day with Ms. Lesley Moii, Attorney representing Arriva Pharmaceuticals, Inc. (tel. no. 650-324-6786), who inquired about the final deadline to file the declarations with the USPTO. I inform her that we are already into extension deadlines and that we are targeting **April 9th 2006** as the deadline to avoid unnecessary extra costs.

Ms. Moii mentioned that Arriva Pharmaceuticals wants to review the assignment and that she may not send it together with the declarations. I explain to her and emphasized on the fact that it would be easier for everyone if she could obtain the inventor's signatures all at once, even though there is no urgency to file it right away.

She confirms her intention to help me meet the April 9th, 2006 deadline for the declarations only.

I will follow-up with Ms. Moii during the week of April 3rd, 2006.

Dear Mr. Dean,

We were recently informed of Helen Gibson's departure from Arriva. We have been in contact with her to obtain some inventor's signatures related to formalities for US patent applications. In order to complete the work which was undertaken by Ms. Gibson, would you please advise who should be contacted to continue the work and obtain the missing signatures from inventors in this specific file?

I look forward to your reply and thank you for your time in answering my question.

Danielle,

Martin and Phil Barr had many discussions around the assignment of the patent with Michelle and how as an Arriva employee, the employee is contractually obligated to assign the patent to Arriva. Additionally, we are in current discussions with Pierre and Michelle regarding the JV so at this time no assignment to the JV will be consummated by Arriva.

These commodities, technology, or software were exported from Canada in accordance with the export administration regulations. Diversion contrary to Canadian law prohibited.

The Warsaw Convention may apply and will govern and in most cases limit the liability of Federal Express for loss or delay of or damage to your shipment. Subject to the conditions of the contract.

CONSIGNEE COPY - PLEASE PLACE IN POUCH

Shipping Label: Your shipment is complete. This shipping label constitutes the air waybill for this shipment.

1. Use the "Print" feature from your browser to send this page to your laser or inkjet printer. Fold the printed page along the horizontal line.

2. Place 2 originals of the shipping label in the pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional charges, along with the cancellation of your FedEx account number.

employees, agents, and independent contractors. The terms "you" and "your" refer to the shipper, its employees, principals and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch or independent contractor who originally accepts the shipment from you. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. The term "shipment" means all packages which are tendered to and accepted by us on a single Air Waybill. AIR CARRIAGE NOTICE. For any international shipments by air, the Warsaw Convention, as amended, may be applicable. The Warsaw Convention, as amended, will then govern and in most cases limit FedEx's liability for loss, delay of, or damage to your shipment. The Warsaw Convention, as amended, limits FedEx's liability. For example in the U.S. liability is limited to \$9.07 per pound (203 per kilogram), unless a higher value for carriage is declared as described below and you pay any applicable supplementary charges. The interpretation and operation of the Warsaw Convention's liability limits may vary in each country. There are no specific stopping places which are agreed to and FedEx reserves the right to route the shipment in any way FedEx deems appropriate. ROAD TRANSPORT NOTICE. Shipments transported solely by road to or from a country which is a party to the Warsaw Convention or the Contract for the International Carriage of Goods by Road (the "CMR") are subject to the terms and conditions of the CMR, notwithstanding any other provision of this Air Waybill to the contrary. For those shipments transported solely by road, if a conflict arises between the provisions of the CMR and this Air Waybill, the terms of the CMR shall prevail. LIMITATION OF LIABILITY. If not governed by the Warsaw Convention, the CMR, or other international treaties, laws, other government regulations, orders, or requirements, FedEx's maximum liability for damage, loss, delay, shortage, nondelivery, misdelivery, misinformation or failure to provide information in connection with your shipment is limited by this Agreement and as set out in the terms and conditions of the contract of carriage. Please refer to the contract of carriage set forth in the applicable FedEx Service Guide or its equivalent to determine the contractual limitation. FedEx does not provide cargo liability or air-risk insurance, but you may be liable for an additional charge for each additional U.S. \$100 (or equivalent local currency for the country of origin) of declared value for carriage. If a higher value for carriage is declared and the additional charge is paid, FedEx's maximum liability will be the lesser of the declared value for carriage or your actual damages. LIABILITIES NOT ASSUMED. IN ANY EVENT, FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL, IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF LOWER, WHETHER OR NOT FEDEX HAD ANY KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to incorrect declaration of cargo, improper or insufficient packaging, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment or violations by any party of the terms of this agreement. FedEx won't be liable for damage, loss, delay, shortage, nondelivery, misdelivery, misinformation or failure to provide information in connection with shipments of cash, currency or other prohibited items or in instances beyond our control, such as acts of God, parts of the air, weather conditions, mechanical delays, acts of public enemies, war, strike, civil commotion, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. NO WARRANTY. We make no warranties, express or implied. CLAIMS FOR LOSS, DAMAGE OR DELAY. ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR TARIFF, APPLICABLE FEDEX SERVICE GUIDE, OR STANDARD CONDITIONS OF CARRIAGE FOR DETAILS. The Warsaw Convention provides specific written claims procedures for damage, delay or non-delivery of your shipment. Moreover, the interpretation and operation of the Warsaw Convention's claims provisions may vary in each country. Refer to the Convention to determine the claims period for your shipment. The right to damages against us shall be extinguished unless an action is brought within two years, as set forth in the Convention. FedEx is not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from the transportation charges. If the recipient accepts the shipment without noting any damage on the delivery record, FedEx will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping carton and packing must be made available to us for inspection. MANDATORY LAW. Insofar as any provision contained or referred to in this Air Waybill may be contrary to any applicable international treaties, laws, government regulations, orders or requirements such provisions shall remain in effect as a part of our agreement to the extent that it is not overridden. The invalidity or unenforceability of any provisions shall not affect any other part of this Air Waybill. Unless otherwise indicated, FEDERAL EXPRESS CORPORATION, 2005 Corporate Avenue, Memphis, TN 38132, USA, is the first carrier of this shipment. Email address located at www.fedex.com.
